**Home Meal Replacement  
Solutions**

Chairmans Foods is a grocer and club store partner to create in-store solutions to satisfy shoppers and meet operational goals. We are experts along the outer perimeter of the retail store, developing products that add value to your customers.

## Meat & Seafood

### Finishing Sauces

A variety of finishing sauces are available to add custom culinary dimension to products for shoppers to achieve restaurant-quality results at home.

### Toppings for Fish & Shellfish

A variety of wild rice blends and toppings are available to compliment seafood and shellfish. Creamy and flavor-rich toppings offer a beautiful finished presentation and customer value.

## Deli

### Soups

Soup programs are available and may be packaged for the hot bar or retail-packed in microwaveable cups.

### Side Dishes & Salads

Compliment existing hot bar and deli case offerings with quality sides and cold blended salads.

### Chicken & Beef Recovery

Versatile and complimentary products are available to blend with proteins to create all new products, such as Chicken Pot Pie, Chicken & Dumplings and Beef Enchilada Casserole.

### Home Meal Replacement

Family-friendly meal solutions that are designed to take advantage of recovery programs.
