PERFECTLY CREAMY MAC & CHEESE FOR YOUR FOODSERVICE BUSINESS

A MUST-HAVE BULK SIDE DISH FOR FOODSERVICE

Creamy macaroni and cheese is one of the most popular comfort foods in the U.S. In fact, macaroni and cheese is consistently ranked among the top three favorite side dishes in foodservice, with over 90% of consumers reporting that they enjoy it. Its versatility, wide appeal, and ability to pair with a variety of main dishes make it a top seller in both casual dining and fast-casual restaurants.

33119 - Creamy Mac & Cheese

This creamy macaroni and cheese side dish is a foodservice favorite, featuring elbow noodles in a rich blend of processed American cheese and natural cheddar cheese flavor. Made with semolina macaroni and enhanced with butterfat, spices, and natural flavors, it offers a smooth, savory experience. With a satisfying texture and easy preparation, it's the perfect addition to any menu, pairing well with a variety of main dishes.

Creamy Mac & Cheese

- **Universal Appeal:** Loved by all ages, making it a versatile side dish.
- **Rich Texture:** Smooth, creamy cheese sauce for a satisfying experience.
- **Easy to Prepare:** Quick and simple to serve in any setting.
- **Versatile Pairing:** Complements a variety of main dishes.
- **Consistent Quality:** Made with high-quality ingredients for reliable taste.
- **Customizable:** Easily adapted with add-ins or toppings.
