INNOVATIVE BULK FOOD SIDES

OAK BARREL HOT HONEY BBQ BAKED BEANS

SERVE OUR ENHANCED FLAVOR, COST-EFFECTIVE AND DELICIOUS BAKED BEANS!

Baked beans are a popular foodservice option due to their versatility, comforting flavor, and cost-effectiveness. They are commonly served as a side dish in BBQ restaurants, and diners, where their sweet and smoky taste complements a variety of meals.

33108 - Oak Barrel Hot Honey BBQ Baked Beans

These oak barrel hot honey BBQ baked beans balance sweetness and tang, featuring tender beans in a smoky, spiced sauce with a hint of honey and heat. The oak barrel infusion adds a woody depth, making them a bold, comforting BBQ side.

Oak Barrel Hot Honey BBQ Baked Beans

- **Bold, Smoky Flavor:** Rich, smoky taste with a hint of sweetness and spice.
- **Versatile Side Dish:** Complements BBQ, grilled meats, and picnic spreads.
- **Comfort Food Appeal:** Warm, hearty, and satisfying for any occasion.
- **Convenient:** Ready-to-eat and easy to serve for large gatherings or quick meals.

Chairmans Foods:

- High-quality ingredients to ensure quality and consistency.
- Full menu of meal options for restaurants and retail delis.
- Experienced R&D, chef, and production teams.

Baked beans bring year round profits for kitchens

Baked beans are easy to prepare, making them ideal for high-volume kitchens and catering. Their demand remains steady year-round, especially during summer cookouts and holiday gatherings.
